Inviting Expression of Interest for selection of Resource institution-to
Impart training on governance & book keeping for Economic Activity
Federations

The overall goal of Vazhndhu Kaattuvom project is to support Government of Tamil Nadu's strategy of reducing rural poverty with special focus on the poorest of the poor through capacity building and livelihood intervention using the Community-Driven Development (CDD) approach. The project covers 70 blocks across 15 districts and proposes to engage resource institution to impart training on governance & book keeping for Economic Activity Federations. The tasks of the agency is to:-

- (a) prepare an operational manual in the area of Governance, Book keeping etc
- (b) provide training to the TOTs comprising of 60 Livelihood Project staff and
- (c) impart training to 150 community members of the economic activity federations in the above area.

The applicant agency should have at least three years experience in imparting training to livelihood enterprises run by CBOs. The institute should have competent persons to prepare the manual and provide training.

Interested organizations shall apply with complete details of the organization, experience, staff profile, area of operation and audited Balance sheets for the last 3 years to the above address within 7 days from the date of advertisement. Individuals are not eligible to apply. TOR for the assignment is enclosed.

Further details about the assignment are available in the website:
